ABOUT TCS WORLD 10K BENGALURU

Bengaluru has been a proud host of the World’s Premier 10K Run – the TCS World 10K Bengaluru - since 2008. The event has had the distinction of having some of the fastest international and Indian athletes competing for the coveted podium finish, and thousands of runners from across Bengaluru, the country and world, all soaking in the Bengaluru energy and camaraderie. This World Athletics Gold Label Road Race has also been graced by the presence of sporting legends like Sanya Richards Ross, Carl Lewis, Mike Powell and Arantxa Sanchez who have endorsed the event as ambassadors and got extensively involved with the races and the local community.

THE TCSW 10K 2024 PHILANTHROPY STRUCTURE

This Philanthropy Structure provides the flow of processes for funds being raised at the 2024 edition of TCS World 10K Bengaluru. It gives an overview of the philanthropic potential of the event, documenting important processes, dates, and fundraising opportunities for NGOs.

Important: Individuals can undertake crowdfunding and donate for an NGO of their choice at the back of TCS World 10K Bengaluru 2024 only through aidbees, and not directly nor through any other crowdfunding platform. Funds received by NGOs directly will not be considered as funds raised through the event.

INDIVIDUAL FUNDRAISERS

Individuals raising funds for a cause of their choice are the backbone of the philanthropic endeavor of the TCS World 10K Bengaluru. An individual fundraiser assumes the role of championing the cause of the chosen NGO and garnering support in terms of funds, in an effort to make a tangible difference. Depending upon the amount of funds raised, the individuals get elevated to higher levels.

All fundraisers start by creating a fundraising page on aidbees’ website – aidbees supports these individuals in their endeavor by providing relevant assistance and guidance along the way.

Process:
1. Login at tcsw10k.aidbees.org > Individual Fundraisers
2. Click on Fundraiser Registration
3. Create your page by filling in the appeal and select an NGO to raise funds
4. Share your campaign with your network to start raising funds

CHARITY BIBS

To enable philanthropy, special running slots (Bibs) are reserved for NGOs participating in TCSW 10K, 2024. These unique Bibs allow registration even after general registrations close. Runners can obtain them directly from the NGOs to support their causes. TCSW10K attracts numerous participants but has limited slots, availing of Charity Bibs is the only option for runners especially when general registrations fill up quickly. There is a minimum donation amount per race category to ensure fairness among NGOs. NGOs can request higher amounts from donors. Runners with Charity Bibs proudly display the NGO’s name on their running bibs, demonstrating their support for the cause.

- The charity bibs are issued on a first come first serve basis to the NGOs. The NGOs can ask for more bibs till the charity bibs are available with the organisers.

- The NGOs will have to pay a flat fee of INR 500/- to aidbees for every bib they block for the runners (non refundable)

- The amount charged by the NGOs for a charity bib will go directly to the NGO. The NGO will have to inform aidbees via email of the donation received. After the email confirmation is done, Only then will aidbees release the URL and code for the runner to proceed with registering themselves for the race.

- The NGOs should sell the bibs for not less than the amount arrived upon by the Philanthropy Partner. The NGOs can decide the cost of the bibs but it should be equal or more to what aidbees has suggested.

Allocated Bibs

In this edition, each participating NGO can utilise as many Bibs as they require on a first come first served basis. Upon registration, each participating NGO will be assigned one Bib. They can convert this Bib to any race category they require until Bibs of that category are available with aidbees. Once an NGO secures a donation and uses the Bib allocated to them, a new Bib will be allocated automatically.
Charity Bib Submission Process

Log into your NGO account page go to the bib manager

Download bib summary print and highlight bibs to be submitted
Sign and stamp bib summary sheet

Donors makes online donation

Upon realising the donation the runner will receive a voucher code for registration. The code will also be visible to the NGO on their dashboard against the bib and if applicable a new bib is allocated automatically in the individual bib section.

Charity Bib Retention Amount

aidbees & the NGOs set a minimum donation amount for Charity Bibs. The race category-wise minimum donation will progressively increase as per the table below:

<table>
<thead>
<tr>
<th>Race Category</th>
<th>Retention on Donation (INR)</th>
<th>Minimum Donation Amount* (INR)</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>15/12/2023 to 15/02/2024</td>
<td>15/02/2024 to 15/03/2024</td>
</tr>
<tr>
<td>Open 10K</td>
<td>500</td>
<td>5,500</td>
</tr>
<tr>
<td>Majja Run</td>
<td>500</td>
<td>3,000</td>
</tr>
</tbody>
</table>

*The minimum donation amount will be progressively increased as per the table above.
**To qualify for the minimum donation amount, the donation must reach the NGO on or before the last date of the respective month/period. Subsequently, the donation amount will increase progressively, as indicated above.

**Runner Registration Process**
After a donation is confirmed as successful on the Bib Manager, a voucher code is generated and sent directly to the runner for registration via email. The registration process happens at the Event Promoters' end on https://tcsw10k.procamin.com/. The voucher code will also be visible in the Bib Manager next to the corresponding Bib. NGOs can share this code with their runners to register directly on the event website. This online registration method saves time and allows runners to register quickly, receiving a confirmation email immediately. aidbees does not accept physical runner forms for either online or offline donations.

**The runner and the donor can be different people and thus NGOs need to provide the runner’s email address in the Bib Manager to ensure they receive the voucher code once the donation is confirmed as successful.**

**Charity Bibs Collection Process**
All the Charity Bibs obtained through an NGO will now be given to the NGO on the first day of the Expo at the aidbees counter for onward distribution to their runners. Charity Bib runners need to connect with their NGOs for their Bibs.
TOP UP DONATIONS

To inspire runners to give back for a meaningful cause while registering for their run, the registration process allows all runners to donate towards a common pool for participating NGOs. It also enables runners to create fundraising profiles if they want to raise funds for an NGO. During registration, runners can donate to this pool as “Top Up Donation” and support the causes the NGOs are raising funds for. The donations in the shared pool will be distributed among NGOs based on privilege levels attained.

- Donations are non-refundable, regardless of runner registration acceptance.
- Since this donation is handled outside of aidbees platform, a deduction of approx 10% will be made as payment gateway charges and processing fee. aidbees will distribute 90% of the funds received to the common pool of NGOs.
- An 80G receipt and/or 10BE certificate will be issued for the total donation amount to the donor by the NGOs.
- NGOs are expected to thoroughly go through all information mentioned on the event website regarding runner registration on www.tcsw10k.procam.in
